الشيخ علي محمود راجي - حفظه الله - :

Our message to the Muslim population who are living under the rule of the Christian Government of Kenya, indeed you have suffered much oppression from the rule of the enemy, the Christian Government of Kenya, and endured great harms from this enemy.

They have usurped your wealth, violated your honour and deprived you of the right that you had.

We, as Muslims, should ask ourselves what have we benefitted from Kenya? From the time of the colonialist Government to the presidency of Uhuru Kenyatta today.

What have you Muslims gained from Kenya?

Muslims, whether be those living in the coastal region of NFO.

What have you profited since the time of the colonialists to the present day of Uhuru Jomo Kenyatta?

Those so called Muslims whom you have elected, who claim to be your leaders and who look and speak like you.

In reality, they are the ones who have surrendered you to your enemy.

The individuals who preach to you daily that the Christians will benefit you and reassure you that you are true Kenyan citizens.

Certainly they have deceived you, for Allah, the exalted, has previously informed us the disbelievers have absolutely no good to offer to the Muslims nor do they respect the ties of kinship of any sort of covenant.

Allah, the Exalted says: *“With regard to a believer, they respect not the ties, either of kinship of covenant”* (At= Tawba: 10).

قَالَ تَعَالَى: ﴿لَا يَرْقُبُونَ فِي مُؤْمِنٍ إِلَّا وِلَا ذِمَّةً ۗ﴾ التوبة

This means that they will not spare a believer based on his blood relationship or passed agreements.

Allah the Exalted mentions: *“if a good befalls you, it gives them, but if some evil overtakes you, they rejoice at it”* (Al- Imran, 120).

قَالَ تَعَالَى: ﴿إِنْ تَمَسَّكُمْ حَسَنَةٌ تَسُوءُهُمْ وَإِنْ تَصِبْكُمْ سَيِّئَةٌ يَفْرَحُوا بِهَا﴾ ١٢٠ آل عمران.

The disbelievers rejoice in your hardship and they are pained by your good fortune.

It is these sort of people whom they are trying to convince you that they are your fellow countrymen, brothers and nationals.

However, Allah, the exalted, is truer in speech as He says: “ And who is more truthful in word that Allah” (An-Nisa, 122).

قَالَ تَعَالَى: ﴿وَمَنْ أَصْدَقُ مِنَ اللَّهِ قِيلًا﴾ ١٢٢ النساء.

Therefore, we advise you to not take these hypocrites and their Christian allies as friends and relatives and to not be deceived by their words.

Allah , the Exalted, mentions: “ *O you who believe, take not My enemies and your enemies as friends*” (Al-Mumtahina, 1).

قَالَ تَعَالَى: ﴿يَا أَيُّهَا الَّذِينَ ءَامَنُوا لَا تَتَّخِذُوا عَدُوِّي وَعَدُوَّكُمْ أَوْلِيَاءَ ۖ﴾ الممتحنة: ١

We must be extremely cautious of these sort of people and take need so that we are not misted by them.

It is important that we be wise and learn from past lessons so we do not become pathetic subjugates who are continually oppressed.

All of this persecution stems from none other than our enemies.

And such, our advise to the Muslims of Kenya is to stand by the truth. And aid the Mujahideen whose aim is to uplift from you the oppression, among which are your sons sitting here today.

These youth have migrated in order to raise high the religion of Allah, the Exalted.

And liberate you from the persecution you are living in, therefore, it is befitting that you stand by their side and assist them.

Allah Albar ..Allah Akbar .. Allah Akbar ..

Know that fighting Jihad does not hasten ones death.

Death is something preordained by Allah, the Exalted, and it is decreed for every person whether he fights or not.

Therefore, we say to them, do not fear death, the life of Jihad is a life of honour and Glory so come and join its ranks.

It is might and honour you desire, then know that all might and honour belong to Allah, the Exalted.

Allah, the Exalted, says: *“Whosoever desires honour, power and glory then to Allah belong all honour, power and Glory”* (Fatir, 10).

قَالَ تَعَالَى: ﴿مَنْ كَانَ يُرِيدُ الْعِزَّةَ فَلِلَّهِ الْعِزَّةُ جَمِيعًا﴾ فاطر:

Allah Akbar .. Allah Akbar ..

Allah has made Jihad and repelling the aggression of the enemies and disbelievers a source of attaining this might and honour.

Allah Akbar .. Allah Akbar ..

We call upon all Muslims, especially the youth, who are living in this state humiliation: if you are unable to fight inside your lands and repel the aggression of the enemy who is oppressing you.

Then know that we are your brothers and we call them to make hijra and join the ranks of the brothers so that together we can liberate our people and homes from the enemies of Allah.

Again, we call them to make hijra and join the ranks of their brothers since they are unable to fight the enemies inside the country.

Today our Muslim youth are aimlessly standing on the streets.

And dying due to drugs because of unemployment, lack of care and education.

It is better for them to attain martyrdom whilst fighting to their religion.

Therefore, we encourage you to send your youth to come to the battlefield of Jihad and the land of hijra.

The caravan of Jihad is moving so climb on board and do not be left behind.

The lands of Muslims were once ruled by the laws of Islam according to the Quran and Sunnah, let us therefore strive to restore this.

It is narrated on the authority of Umar ibn Al-khattab that he said:

“we were a humiliated people then Allah honoured us through Islam and we seek honour in other than it, then we will be humiliated”.

Therefore, all might, honour and goodness is found in adhering to the book of Allah uniting upon it and striving to restore our glorious past.

Finally, I wish to say to all the Muslims in East Africa:

My dear brothers let's join hands to expell the disbelievers from Muslim lands.

Allah Akbar ... Allah Akbar..

Nashid

Our religion is humiliated and we are being oppressed

However, we will wipe our tears with our weapons

Our religion is humiliated and we are being oppressed

However, we will wipe our tears with our weapons

We have left the lands of disbelief to seek the glory of our religion

We are now ready for battle and we will not put down our weapons.

We are ready for battle and we will not put down our weapons

It is either victory or martyrdom until our religion fully prevails

Here is no longer peace between us (and the disbelievers)

The flames of war we have ignited and they will not die down

Our goal is not the dunya but it is entering jannah

We will fight until the day of judgement for the sake of Allah.

Our religion is being humiliated and we are being oppressed

However, we will wipe our tears with our weapons

Our religion is being humiliated and we are being oppressed

However, we will wipe our tears with our weapons

O'My dear brother who is still in the lands of disbelievers, It is binding upon you to make hijra.

Come, let us join hands in order to raise high the Word of Allah.

Let us all take up arms and eradicate oppression

Let us all take up arms so that we are victorious.

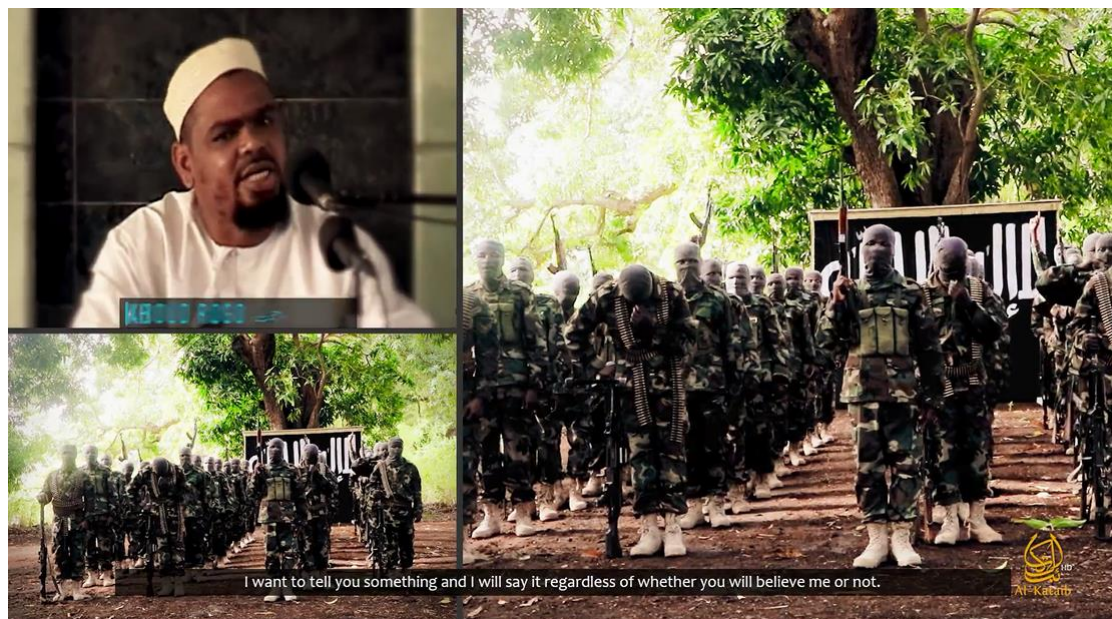

Our religion is being humiliated and we are being oppressed

However, we will wipe our tears with our weapons

Our religion is humiliated and we are being oppressed

However, we will wipe our tears with our weapons

Allah Akbar ..Allah Abar..

Sheikh Aboud Rogo رحمه الله: I want to tell you something and I will say it regardless of whether you will believe me or not.

And I am not going to ask you to pay for what I say, because my words are free.

I say, that a Muslim will never succeed unless he takes up arms, it is impossible.

These constitutions that permit fornication and the consumption of alcohol will never benefit the Muslims.

No parliament can help the Muslims,

Nothing will be of benefit to the Muslims except following the methodology of the prophet ﷺ

The prophet ﷺ says: *“when you enter into transactions of “enah (a type of usuary) and take hold of the tails of cattle, and are content with farming, and you forsake Jihad Allah will cause humiliation to prevail over you and He will not withdraw it until you return to your deen”* (Abu Dawud, 3462).

The meaning of Deen in this hadith is Jihad.

We pray, we fast, we perform Hajj and we pay Zakat, but why has the humiliation not been removed from us yet?

It is because we have not gone back to our deen i.e. Jihad.

The End
